

# Memo

**Date:** June 8, 2011

**Re:** Use of "Participation Fee" Form – will be available @ Uniform Fitting Night

---

*Please note that, at the time of this mailing, the Participation Fee structure for the school district has not yet been determined.* Therefore, the form will not be available until the night of uniform fittings.

This fee must be submitted in order for students to participate in any extra-curricular activity. This fee is separate from, and in addition to, the "Band Booster Fee".

This money goes directly to the board and pays for staff supplemental salaries (band director, assistant band director, flagline, drumline, pep band) and all transportation costs to football, festival, and parade performances. 55% of the fee pays for the staff, 45% of the fee pays for the transportation.

**There is NO CAP on extra-curricular fees, which means each family must pay in entirety for any activity.**

## Special Notes Regarding BAND

- **All Students enrolled in marching band must pay the Marching Band Fee. This includes all band, drumline, and flagline members.**
- **If your percussion student chooses to participate in the indoor drumline season in January through April, that is a separate Participation Fee, which will be collected at that time.**

**WE WILL BE DISTRIBUTING THESE FORMS ON THE UNIFORM FITTING NIGHT. PLEASE PLAN TO PAY WITH A SEPARATE CHECK MADE PAYABLE TO "BBHHS" .**

PLEASE REMEMBER: WRITE THIS CHECK SEPARATE FROM THE BOOSTER FEE!

*If this fee is unmanageable by your family and will result in your child no longer participating in band, please contact Mr. Wyse directly to discuss financial aid. If you wish to be an anonymous donor and support a student in need, please contact Mr. Wyse.*
