

ATTENTION SENIOR PARENTS!

BBHHS Band Lifetime Membership Endowment Fund

A number of years ago, Band Boosters established a "Sustaining Life Membership Endowment Fund" to allow band graduates and their families to ALWAYS be part of the band. The fund's sole purpose is the purchase of new band uniforms when required.

Please consider signing up your graduating child and/or your family for Brecksville-Broadview Heights Band Lifetime Membership Endowment Fund. This one-time payment registers you permanently in our Endowment Fund. Many parents give this to their child as a graduation gift during senior year of high school, and many families also sign up either during their child's or grandchild's band years or upon their graduation.

Graduating Senior: Graduating seniors get a one-time reduced rate of \$25

Family/Parents: \$50 minimum

YOU MAY USE BEE BUCKS FOR THIS ENDOWMENT

If interested, please fill out the attached form and mail it to Michele Mihalich, as directed below with a check made payable to BBHHS Band Boosters. Check to see if your company has a matching funds program. Boosters is a 501(c)(3) charitable organization, Tax ID #23-7176418.
