

Good Afternoon BBHHS Band Families,

As you may have seen and heard the football season has been approved to move forward under specific safety regulations. One of those regulations is that marching bands will NOT travel to away contests this season. The BBHHS Football Team will be traveling next Friday, August 28th to take on Aurora HS. Although the Marching Bees will not physically be in attendance to support the team and present their talents, an extremely creative performance opportunity has been scheduled during our Monday 8/24 evening rehearsal!

The game against Aurora HS next Friday 8/28 is the “*Spectrum’s High School Game of the Week*” and will be broadcasted live on [Spectrum 1 News Channel](#) . During Monday’s evening rehearsal there will be a TV crew present to record our BBHHS Marching Bees. These clips will be included during the live broadcast of the Friday 8/28 game as well as during a special news segment entitled “*Making of the BBHHS Marching Bees*” which will air on Thursday, August 27th on the “*More Sports & Les Levine*” which can be found on [Cleveland.com](#)!

This is certainly a fantastic and exciting opportunity to showcase the hardwork and dedication of our students, especially during such trying times! I would like to publicly thank **Lori Reagan** who is one of our band booster parents. If it wasn’t for her connection this opportunity wouldn’t have come to fruition!

Due to this performance opportunity...
