BBHHS BAND PPE UPDATE - BELL COVERS

Dear Parents & Guardians,

The BBHHS band family has come together in class act fashion to make musical PPE for our kids! **Thank you** to all the hard working volunteers who have cut, sewn, and run elastic! Most of the bell covers are sewn and have elastic in them! Next, the elastic gets stitched tight, and the small hole where the elastic went in gets closed. An inventory will be taken to see where we stand. Where we are short we will make those up from smaller pieces leftover from larger ones and additional fabric that has been ordered from JoAnn Fabrics. We are all working as fast as we can to get this out to the kids as soon as possible!

Thank you for helping us keep our BBHHS Band Students SAFE! :)
