**BBHHS Marching Band - Annual Citrus Fruit Sale**

The 2021 Band Citrus sale is our only fundraiser to help our Marching Bees earn BEE BUCKS for band expenses they may incur during the band year, including their Disney trip. Our Citrus sale has multiple options this year.

**ORDER ON-LINE at:** <https://www.floridaindianrivergroves.com/ecommerce/983582>

We will have one citrus sale this year, from October 13 through November 12, 2021. Ordering will be ON-LINE ONLY. This year we have two delivery options. You can choose to have fruit delivered directly to the recipient of your choice for \$7.95 per box or you can choose delivery to the organization. If you choose delivery to the organization, all orders will be delivered to BBHHS. The student seller will then pick up all orders credited to them to distribute. Delivery to the organization will be the first week of December. Delivery to your buyers homes are scheduled to arrive in December before Christmas Eve.
