**Band Director's Report:** (Mr. Ciulla and Mr. Pasternak)

Marching Band was a good season and has concluded

- Senior Night was really fun - big shout out and thank you to Stacy and volunteers!
- General huge thanks to ALL the helpers, all the way back to band camp, uniform committee, Exec Board, Indian's game, chaperones, etc. etc. etc.
- Band Director's hope the students have a lot of positive thoughts and memories from the season.
- Was refreshing to have a fairly "normal" year.

Other business:

Mrs. Packard reports we have quite a lot of snacks in the office.

- Suggestion is to use it at the citrus sale packaging day.

Director headset broke this marching season + couple small things that need addressed.

Mr. Zumwalt is looking at shelving options for a fall/winter project.

Mr. C addressed Sounds of the Stadium, explaining it did not happen for multiple reasons and acknowledging some students were disappointed it was cancelled.

- Many students couldn't make the Monday rehearsal, same on Tuesday.
- Volleyball playoffs were the same nights would have logistically been hard.
- Will work to rectify for next year.

Concert band transition is underway and going well.

Pep band organization is starting, basketball starts early December.

**DISNEY**

Collected approximately 190-195 responses to the survey form.

- ~77% are in for sure. ~20% are waiting to see. Less than 2% are "no"
- 10 chaperone volunteers, ~30 others said maybe
- 1/3 of families going plan to be there, more are thinking about it

- Universal trip was the overwhelming favorite
- Additional bus was favorable
- Lots of interest in travel insurance and cancellation policy
- Many questions! Will try to get them all answered in November
- Fundraising is Citrus Sale

*Next steps:* Looking to get more information out before Thanksgiving with Great Tours.

Mr. C addressed the Bville tree lighting parade -- simply, Brecksville is not having a parade this year and said they are focusing on a large fireworks display.

President's Report:(Amy O'Brien Band Booster)

[Amy wasn't able to be at the meeting, her report was read by Heather McCleary]

- Thank you to all who donated or volunteered during marching season and senior night.
- Still in need of help with the Athletic Program - would be a nice time to start that project and learn the ropes as we are currently working on the Winter Program.

Trunk or Treat was fun! Thank you!

- Fred Pedersen reported about a successful meet candidates night - acknowledged sunshine law situation and subsequent training for that
- Mrs Magyar reported holiday parties at elementary schools will go on
- Educators are eligible for booster should they choose - this may cause a day off of school like last year for teachers to get the shot depending on timing, etc.
- No delays on new building, District gets the keys to the building in May

Highschool report:

- Recap on successful homecoming, thank you
- Parent teacher conferences are tomorrow

Senior Night: (Stacy Fening)

Stacy will do it again next year (thank you, Stacy!)

Swarm Board and Decorations: (April Thornton) [not present]

Swarm Board was successful but no new dates

May try another Swarm Board around Disney

Uniforms: (Lori Reagan)

The new team is a really great group of ladies, will meet to discuss final hand off

Disney kids will be asked to take uniforms home night of holiday concert

- Students will have 2 weeks to get their uniform to On the Spot Cleaner
- When they get the uniform back, they are to hold it for further instructions on packing for Disney

Raincoats - 6 kids need to return them or will need to pay \$85 replacement fee

**Ways and Means Committee Reports:** (Heather McCleary)

**Need athletic program team** - we have a layout person and data person but the team needs more help. The Winter Program is happening now so it's a great time to come see what it's all about.

Disney raffle -- Great Day Tours donated 1 trip

- That one trip is split into two half trips for raffles
- Winter concert will be the first raffle
- Once citrus ends, raffle begins - tickets can be purchased before the Winter Concert Dec 7th or at the concert, probably by Principal Jakub
- Second raffle will be virtual - the team is still looking for a fun way to pull the ticket

**CITRUS SALE!**

10 days left for citrus sale -- we are about half way to goal

- 113 boxes coming to school
- 24 going to homes

Profits go directly to individual students to be used against Disney trip

Super popular sale, just need to advertise

**Citrus will need volunteers - there will be snacks - consider service hours for kids**

**Treasurer's Report:** (Katie Churchin and Jennifer Stephan)

There has been a change in instrument rentals

The Band Boosters were only organization still collecting fees

Going forward the School Board will collect as they do for Orchestra etc.

Fees will likely increase to \$40 in order to break even, which means it may go up again in the future; Potentially there will also be a fee per instrument (previously was one fee per student regardless of number of instruments).
